Dear Township Trustees / Fiscal Officers:

Please share this at your Township Meeting.

It is that time of year that the County Engineer's office is putting together the **2019 Paving, Chip- Seal, Widening and Striping** contracts. (This is outside the Issue 2 OPWC projects that you submitted in August 2018)

Your Township will be responsible for 100% of the Cost.

For your planning purposes in 2019.....

Road Widening -\$5.60 per lineal foot for 2 feet width (This is per each side of the road)

Pavement resurfacing - \$0.87 per square foot (Includes Full Width Milling)

Pavement resurfacing - \$0.62 per square foot

Chip Seal w/ Fog Seal - \$0.16 per square foot

Please return this to **Doug Cade**, Deputy Engineer on or before **January 1st, 2019** to be included in the program. Resolutions and Fiscal Officer Certifications will be sent out the 1st week of January.

Thank you,

Douglas E. Cade, PE, PS
Deputy County Engineer
