### Highway Maintenance Technician

The Hancock County Engineer's Office is seeking qualified individuals to fill the position of Highway Maintenance Technician. The position that requires performance in a variety of highway, bridge and drainage tasks under supervision. Requires operation of small hand tools such as chain saws, rakes, air tools and shovels which may be used in highway, bridge, drainage and general maintenance operations. This position requires light to heavy physical effort in all situations, sitting, standing, stooping, and climbing. Applicant should be in good physical health, have a valid Class A or Class B Commercial Driver's License, and a high school diploma or GED with a minimum of one (1) year of working experience in maintenance and construction work or training in the industry of construction and maintenance.

Submit applications to the Hancock County Engineer's Office, Attn: Hannah Larson, 1900 Lima Avenue, Findlay, Ohio. Applications are available on the Hancock County Engineer's website and at the office.

PUBLISH: October 23 and 30
